**ORDER:**

In the reference read above, the Director, Institute of Preventive Medicine has informed that on the request of the Director of Medical Education, Government of Andhra Pradesh., Hyderabad., and Superintendent, Government Maternity Hospital, Petlaburj, Hyderabad., for the convenience of poor patients attending the antenatal clinical, diagnostic tests are being performed from 12-12-2011 at that Petlaburj Centre, Hyderabad. The present Ultra Sound Scan Machine functioning in Central Reception Section, Institute of Preventive Medicine, Narayanaguda is giving trouble with minor break down and the image quality is also reduced. It has become difficult to identify minute lesion due to decrease in resolution, especially for Antenatal check up where the detection of focal abnormality is prime importance, a new high resolution scan machine and Colour Doppler is needed urgently, to enable to detect anomalies to scan early pregnancies.

2. The Director, Institute of Preventive Medicine has requested the Government to permit her to procure and supply of two Ultrasound scanning Machines for use one at peripheral centre at Government Hospital, Petlaburj, Hyderabad., and one at Central reception Centre, Institute of Preventive Medicine, Narayanaguda, Hyderabad., through the A.P. MSIDC, Hyderabad, duly utilizing the funds from Public Health Laboratories Development Society (IPM) of Directorate of Institute of Preventive Medicine to enable to provide scanning facilities to the needy poor and middle class people at Government rates.

3. Government after careful examination, permission is hereby accorded to the Director, Institute of Preventive Medicine, A.P. Hyderabad to purchase one ultrasound scanners/colour Doppler through the A.P. MSIDC, Hyderabad., duly utilizing the funds from Public Health Laboratories Development Society (IPM) of Directorate of Institute of Preventive Medicine to meet the estimated cost of Rs. 15.00 lakhs to enable to provide scanning facilities to the needy poor and middle class people at Government rates the Director, Institute of Preventive Medicine is also directed to ensure state of the Art equipment is

P.T.O.
